Date April 1, 1932	

Subject (in full) Pro-communist publication entitled "The War Flag" (戰旗報)

Made by D.I.Kuh Pao-hwa Forwarded by D.S.A. Bureau

With reference to the attached letter dated March 15, 1932 from Mr. Tsou Sien Kyeh (周先堯), President of the Shanghai Special District Court, on the subject of a subversive publication entitled "The War Flag", the editorial offices of which are reported to be situated in the Pao Zau Lee (寶士里) off Shantung Road near Palhui Road, I have to state that careful enquiries made by the detectives of this office in co-operation with the staff of Section 5 fail to produce any information to show that such a paper has ever existed. Should such a paper ever have been published in Shanghai, it must have been surreptitiously disseminated.

Mirs,

At the request of the Bureau of Education in accordance with an instructional order No. 521 from the Municipality of Greater Shanghai following a request made to the latter by the Chekiang Provincial Government stating that they have discovered a publication entitled "The War Flag" (戰旗報), its contents being entirely communistic and instigating labourers against the Kuomingtang on the ground of the present crisis in Shanghai. The offices of this paper are situated in the Pau Zeu Li alleyway (寶善里) off Shantung Road near Palkhoi Road. As this address is situated within the jurisdiction of the International Settlement, I have been requested to communicate with you to take such action as may be deemed necessarily.
